PROCEDURE CHECKLIST

1. Arterial Puncture (ABG Analysis) - Checklist	1-3
2. Assisting with the use of Bedpan/Urinal - Checklist	4-5
3. Bowel Wash - Checklist	6-8
4. Cardio Pulmonary Resuscitation - Checklist	9-10
5. Care of Patient with Chest Drainage - Check List	11-13
6. Catheter Care (Female) - Checklist	14-15
7. Catheter Care (Male) - Checklist	16-17
8. Chest Physiotherapy - Checklist	18-20
9. Collection of Blood Specimen - Check List	21-23
10. Colostomy Care - Checklist	24-25
11. Crutch Walking - Checklist	26-28
12. Death Care - Checklist	29-30
13. Ear Bandage - Checklist	31-32
14. Ear Drop Instillation - Checklist	33-34
15. Ear Irrigation - Checklist	35-36
16. Endotracheal Tube Insertion - Checklist	37-38
17. Endotracheal Tube Suctioning - Checklist	39-40
18. Enema - Checklist	41-43
19. Eye Bandage - Checklist	44-45
20. Eye Irrigation - Checklist	46-47
21. Eye Drop Instillation - Checklist	48-50
22. Gloving - Checklist	51-52
23. Hair Care - Checklist	53-54

24. Insulin Administration - Checklist -----	55-56
25. Intradermal Injection/Allergy Test - Checklist -----	57-58
26. Intramuscular Injection - Checklist -----	59-61
27. Intravenous Infusion - Checklist -----	62-64
28. Intravenous Injection - Checklist -----	65-67
29. Intravenous Cannulation - Checklist -----	68-69
30. Jejunostomy/Gastrostomy Feeding - Checklist -----	70-73
31. Masking and Sterile Gowning - Checklist -----	74-75
32. Measuring Blood Glucose Level Using Glucometer - Check List -----	76-77
33. Nasal Bandage - Checklist -----	78-79
34. Nasal Drop Instillation - Checklist -----	80-82
35. Nasogastric Aspiration - Checklist -----	83-84
36. Nasogastric Tube Feeding - Checklist -----	85-86
37. Nebulization - Checklist -----	87-88
38. NIHSS (National Institute of Health Stroke Scale) - Checklist -----	89-93
39. Oral Airway Insertion - Checklist -----	94-95
40. Oral Hygiene (Conscious Patient) - Checklist -----	96-97
41. Oral Hygiene (Unconscious Patient) - Checklist -----	98-100
42. Oral Medication - Checklist -----	101-103
43. Oropharyngeal Suctioning - Checklist -----	104-105
44. Oxygen Administration - Simple Mask, Nasal Prongs, Venturi Mask - Checklist -----	106-108
45. Oxygen Saturation Assessment using Pulse Oximeter - Checklist -----	109-110
46. Perineal Care - Checklist -----	111-113
47. Range Of Motion Exercise - Checklist -----	114-115
48. Sponge Bath - Checklist -----	116-119
49. Subcutaneous Injection - Checklist -----	120-122
50. Suppository Administration - Checklist -----	123-124
51. Surgical Scrubbing - Checklist -----	125-126

52. Suture Removal - Check List -----	127-128
53. Topical Application - Checklist -----	129-130
54. Tracheostomy Care - Checklist -----	131-132
55. Tracheostomy Suctioning - Checklist -----	133-134
56. Wound/Surgical Dressing - Checklist -----	135-137

ASSESSMENT FORMAT

57. Burn Assessment - Format -----	138-144
58. Cardiovascular Assessment - Format -----	145-148
59. Cranial Nerve Assessment - Format -----	149-152
60. Critical Care Assessment - Format -----	153-157
61. Emergency Assessment - Format -----	158-163
62. Endocrine Assessment - Format -----	164-168
63. ENT Assessment - Format -----	169-178
64. Eye Assessment - Format -----	179-185
65. Fall Risk Assessment - Format -----	186-188
66. Functional Status Assessment - Format -----	189-192
67. Gastrointestinal Assessment - Format -----	193-197
68. Geriatric Assessment - Format -----	198-205
69. Health Assessment - Format -----	206-221
70. Immune System Assessment - Format -----	222-224
71. Integumentary System Assessment - Format -----	225-227
72. Musculoskeletal System Assessment - Format -----	228-232
73. Neurological Assessment - Format -----	233-244
74. Nutritional Assessment - Format -----	245-246
75. Oncology Assessment - Format -----	247-251
76. Respiratory System Assessment - Format -----	252-258
77. Reflex Assessment - Format -----	259-261
78. Urinary System Assessment - Format -----	262-265
