Authors Invitation

Dear Author

Since beginning Emmess Medical Publishers is always looking for new product ideas in Health Science Publication.!

Our produce can begin with an author's vision or our own vision, based on market research. We invite you to join our publishing program in Health Science Publication field. We can help you refine your concept for a book and work with you to help define and reach its reader. We offer expertise in development, sales, and marketing.

Shape your ideas and experience in form of a book. We are committed to excellence, to our authors, their products, and the customers we serve.

Our publishing program is distinguished by our history of developing successful books specially for nursing professionals, educations and students. Our editorial, development, production, marketing, and sales are devoted to the health professions and understand the special demands of health science publishing.

Send your proposal at the address given below. We will evaluate your proposal with both in-house staff and external reviewers to determine its suitability for our publishing program.

Sincerely Yours

Manjunath S. Hegde

Managing Director
